WDAA RECOGNIZED # 25-132

WDAA RECOGNIZED ONLINE SHOW GUIDELINES

To be recognized by WDAA, online shows must meet the same criteria for recognition as do live shows. <https://wdaalifetimepoints.org/show-recognition-information/>

Use arenas that are as near as possible to regulation size and be sure letters are set appropriately to be viewed by the judge. Cones with large letters on them and poles on the ground to delineate the corners are acceptable. For arena measurements please visit this link, <https://www.westerndressageassociation.org/western-dressage-arena>

Videos of tests must be unedited from start to finish, including the equipment, attire, and bit check. They must be one continuous recording with the horse and rider visible at all times.

Videos must be filmed in LANDSCAPE orientation.

After entering the arena, prior to beginning the test, the pre filled-in sign must be hold up in front of the camera. Remove the sign just before beginning the ride. Please make sure that all information is clear and easy to read for the judge. The videographer can hold the sign then move back to behind the camera or hold the sign in front of the camera at arm's length while also holding the camera.

Keep the horse in frame, paying close attention to the near corners. You may zoom in slightly on the far corners. Videos must be in focus.

Make sure to keep the letters in the frame that are elements of the test being performed.

As soon as the test is finished, the camera must slowly circle the horse and rider showing all equipment and attire, including spurs and whip if used.

Following equipment check, the rider will dismount and drop the bit so it can be recorded.

NOTE: Hold the bridle so as not to obscure the curb strap or curb chain. Demonstrate that the curb strap or chain is flexible, ½ inch wide, and that two fingers can fit between the bosal or cavesson and the horse's cheek. Make sure the judge can see all parts of the bridle, including bit and reins, clearly.

The test must be videoed from C, where the judge would normally be seated.

The test may be called.

Coaching during the test is not allowed.

The natural background sound for the test must be audible. Tests with no sound at all will not be accepted.

Bridle or saddle pad numbers are not allowed.

Exceptional riders are exempt from the dropping the bit requirement in online shows.

Ridden tests may be submitted to ONLY ONE online show. A video of a test/ride from another competition that has already been judged must be eliminated. Any video suspected of having been filmed during another competition will not be scored.

No horse may be ridden more than once in any western dressage class with the same class number, including TOC classes.
